Wet Dynamic Coefficient of Friction Range

UPS	0.42 - 0.52	ANSI A326.3
EXT	0.60 - 0.70	ANSI A326.3

Shade & Texture Index

Stone Fiction has a shade variation of V3.

V1   V2   **V3**   V4

V1 Uniform appearance
V2 Slight Variation
V3 Moderate Variation
V4 Substantial Variation

This porcelain tile product is produced with a V3 variation. While the colors and/or textures present on a single piece of tile will be indicative of the colors and/or textures to be expected on the other tiles, the amount of colors and/or texture on each piece may vary significantly. It is recommended that the range be viewed before selection.

Get Planked!

◆ CROSSVILLE®

Stone Fiction

Recommended Use

Stone Fiction UPS is recommended for interior floors, interior walls, countertops, exterior walls, pool waterlines and full linings† in both residential and commercial applications. Stone Fiction UPS is not recommended for exterior horizontal surfaces or exterior paving. Stone Fiction EXT is recommended for exterior floors and walls in both residential and commercial applications. See CrossvilleInc.com for detailed installation instructions.

† Excludes mesh mounted mosaics.

Care and Maintenance

Regular cleaning is the best way to keep Stone Fiction tile looking good for years to come. Use clean, hot water (combined with a household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth. No waxes are needed. More information regarding the care and maintenance of Crossville® products is available at CrossvilleInc.com.

Information listed here is subject to change. Please refer to CrossvilleInc.com for the latest, most accurate information.

Wet area use for Mosaics

Crossville® produces the Stone Fiction 2 x 2 mosaics with the Cross-Sheen® (UPS) finish. The ANSI A326.3 wet Dynamic COF of Stone Fiction is ≥0.42. Their small sizes ensure frequent grout joints which provides traction and drainage.Crossville cannot control situations involving incorrect installation, improper slope to the drain for elimination of standing water and poor surface cleaning.

This information is provided so that customers may make a realistic and informed decision when comparing Stone Fiction to other tile products in wet area environments, such as residential/commercial bathrooms, showers, and interior pool decks.

Our Warranty

Crossville Inc. guarantees that its products will meet or exceed the performance specifications outlined in ANSI A137.1-2022 and in the performance data section of the Crossville, Inc. general product catalog. For complete details check our website at CrossvilleInc.com.
